

REMARKS/ARGUMENTS

The Examiner's attention to the present application is noted with appreciation.

The Examiner rejected claims 21-57 under 35 U.S.C. §103(a) as being unpatentable over Buxton et al. in view of Bell and further in view of Zawlinski. Such rejection is respectfully traversed, particularly as to the claims as amended. In accordance with the substance of the telephone interview with the Examiner held on 21 June 2005 and the Interview Summary thereof, independent claims 26 and 40 have been amended to clarify that the viewer never sees the divided display object.

In view of the above amendments and remarks, it is respectfully submitted that all grounds of rejection and objection have been avoided and/or traversed. It is believed that the case is now in condition for allowance and same is respectfully requested.

If any issues remain, or if the Examiner believes that prosecution of this application might be expedited by discussion of the issues, the Examiner is cordially invited to telephone the undersigned agent for Applicant at the telephone number listed below.

Authorization is given to charge payment of any additional fees required, or credit any overpayment, to Deposit Acct. 13-4213.

Respectfully submitted,
